Monthly Tuition

Monthly tuition is a fixed monthly rate, based on the total tuition for the year divided into 9 equal installments, for the months of September - May. Monthly tuition will remain the same, regardless of the number of weeks in a month.

The first month's tuition must be paid in full at the time of registration. After the first month, tuition is due by the 1st business day of each month, October through May.

Creative Arts and Talent Studio does require that all dance families enroll in auto-pay. Auto-payments for monthly tuition only will be processed on the 1st business day of each month. If you do not wish to have monthly tuition charged to the payment method on file, you must pay via another method before the 1st business day of the following month.

Annual Registration Fee

All dancers must pay an annual registration fee at the time of registration. The registration fee structure is as follows:

- Annual Registration Fee: \$25 per dancer
- For the second child in the same family, the annual registration fee is \$15.
For the third child in the same family, the annual registration fee is \$10.
- There is no registration fee for the fourth child and beyond in a single family.

Family Discount

The second child in the same family receives a 10% discount on monthly tuition. The third child and beyond in a single family receives a 5% discount on monthly tuition.
